GIRL RESERVES

Girl Reserves is the junior branch of the Y.W.C.A. and is the only national organization in D.C.H.S.

The purpose of Girl Reserves is to develop each girl mentally, spiritually, and physically to help her better find her place in the world in which she lives.

Under the direction of Miss Werschky the Girl Reserves have accomplished many worthwhile things this year, including the inspirational meetings, participation in the national "clothing for a less fortunate girl" drive, and the various social affairs.

On the Mothers' Council were Mrs. Bob Blaisdell, Mrs. Mary Curtis, and Mrs. Gladys Triplett.

Officers of Girl Reserves were:

President: Wanda Lee Parkhurst

Vice-president: Mildred Curtis

Secretary: Helen Lambert

Treasurer: Gwen Curtis
