Johnny was a schoolboy when he heard
his first Beatles song
"Love Me Do" I think it was and from
there it didn't take him long
Bought himself a guitar, used to play
every night
Now he's in a rock-n-roll outfit and
everything is alright

Johnny told his mama, "Hey mama I'm
goin' away"
Gonna hit the bigtime, gonna be a big
star someday
Mama came to the door with a teardrop
in her eye
Johnny said "Don't cry mama, just smile
and wave goodbye"

Don't you know that you are a shooting
star.....

Johnny made a record, went straight
up to number one
Suddenly everyone loved to hear him
play his song
Watching the world go by, surprisin'
it goes so fast
Johnny looked around him and said I
made the bigtime at last
Johnny died one night, died in his bed
Johnny's life passed him by like a
warm summer day
If you listen to the wind, you can
still hear play

Don't you know that you are a shooting
star.....
