

Carolyn,
 To a real
 swell upper class
 man. Always keep
 that swell personality
 you did real well
 in Senior Class Play
 Be Sweet
 Lillian

Carolyn -
 Well, After all
 these years, you finally
 caught up with me in school.
 That doesn't make me feel too
 bad, but when you pass me, I
 may never speak to you again.
 Now I have an incentive to work
 on this college degree. Who knows,
 someday we may be two of
 Scotty's Teachers. I hope so,
 cause somebody will have to let
 him brown his way through.
 I'm sure you're going to
 pan out though (not so sure about me),
 So good luck in the future years
 to come. The next five or six should
 be your best, so make the most of them.
 You know, if I know you, you'll
 be running C.V. The first two weeks
 you're there. Then you can make me
 a required course for all eligible girls
 under 21.
 I may learn to like college yet!
 Good Luck -
 Love
 Red
