School opened with twenty nine pupils enrolled in the Intermediate room.

At the close of the first six weeks the fourth grade was moved into another room, leaving an enrollment of twenty in the fifth and sixth grades.

Barbara Mader and Fred Halber were withdrawn soon after school started.

Goldie Higgins left in December and Buddy Montgomery entered the sixth grade. Bobby Thomas left in April.

Two Reading Circle books were purchased for our room and everyone earned a Reading Circle Certificate, thus also earning a 100% Award for our room.

Our room gave the first P.T.A. program for the year. For securing the largest number of members for P.T.A. we were awarded a party which was given Thanksgiving week. Mrs. Miller, Mrs. Woodworth, and Mrs. Gartrell were hostesses.

Other parties during the year were at Halloween, Christmas, Valentine's Day, and Easter.
