MOORES OPEN SANDWICH SHOP

After having sold out their stock of furnishings and shoes some weeks ago, Mr. and Mrs. J. C. Moore have opened a sandwich shop in the building formerly occupied by the store. An elaborate soda fountain and an electric refrigeration system has also been installed. Mrs. Moore will be in charge of the new place and at present has Miss Ruth Hooper helping her. Meals, short orders, etc., as well as fountain drinks, will be served.

Using the 1914 and 1930 Sanborn Maps, and newspaper articles about the Castle Rock State Bank location and building of brick building on the NE corner of Fourth and North Wilcox Streets it appears that first location of the Sandwich Shop was in a small frame building north of site where brick building was being built.

**Ray Lewis Killed
By Hunted Youth
Thursday Night**

The community was shocked and saddened Thursday night when Ray Lewis was shot and killed as he attempted to stop Manuel Perez, 18, from leaving the B. and B. Café in Castle Rock. The youth has been hunted by Denver police and state enforcement officers since Monday night when he shot and wounded two Denver policemen.

Perez had evidently become very hungry and went into the café to obtain some food. Mr. Lewis and several other citizens of Castle Rock recognized him and Undersheriff Duncan Lowell was called, but before he arrived, Perez started to leave and Mr. Lewis attempted to stop him when he pulled his gun and shot Mr. Lewis. Martin "Boots" Nelson, Dale Ridenour and Gene Dodge jumped on Perez, taking his gun away and kept him until the officers arrived. "Boots" received a bullet wound in one of his hands.

Mr. Lewis has been Town Marshall for a number of years. He has lived in Castle Rock

since he was a young man, is married and has four children.

Perez is being held in the County jail at the present time.
